Dear Parents,

House Captain Applications and Interviews

Is your child interested in being a house captain for their Lowercroft house? Last year our house captains had the important role of announcing the house point winners each week, showing parents and visitors around school, delivering presentations at our Reception Parents Welcome Evening and organising whole school events such as Sports Day and the Inter-house Christmas Competition. This is a huge responsibility and a role that we take very seriously at Lowercroft. We have big plans this year to take our house system further and need the help of 8 excellent house captains!

If your child would like to apply for the role of house captain, please encourage them to prepare either a presentation (this can be on PowerPoint or any other presentation software), a speech, a letter, a poem or even a poster to answer the questions below. They then need to be prepared to present their application in school. Any electronic applications can either be brought to school on a USB stick or emailed to me at lsavery@lowercroft.co.uk. Your child will need to be prepared to present their application on the week beginning 16th September 2024.

- 1) What qualities make a good house captain?
- 2) What personal strengths do you have that would make you a good house captain?
- 3) Can you think of any new and exciting inter-house events/activities that you would want to organise if you were chosen?

Many thanks!

Miss Savery
